Changes to Our Payment Agreement due to COVID-19.

We are hopeful that our 2020/2021 season will be less eventful than last season. If we are mandated to close the studio, we will automatically switch to Zoom for 4 weeks. There will be no down time and all classes will run online at their scheduled times.

After 4 weeks if we are unable to open, we will give our recreational dance families two options.

Option One: Dancer continues classes on Zoom with the goal of returning to in-studio classes and ending the year with a recital. At this point we may offer a modified schedule where some classes are combined. As an example, if we offered 3 in studio Junior Hip Hop classes, they may be combined to one class online) Instalment payments would continue as laid out in our payment plan.

Option Two: Withdrawal from classes. You will be reimbursed for any upcoming classes (excluding the agreed upon 4 weeks of Zoom classes) that you may have already paid for. In this case if you choose to withdraw from classes and we are able to resume in studio classes, we can no longer guarantee your child's spot in the class.

What if...? In the situation that a dance family does not feel comfortable attending classes at any point in the season but the studio is still allowed to operate while following all health and safety guidelines, we will offer zoom classes for that family. Going into September we will have two zoom stations set up and ready to go. All our teachers need to do is turn on the computer and login. Please give us a minimum of 8 hours notice so we can ensure we have received your message and can send you the proper meeting link.

Recital 2021

We plan to offer a recital to all our dancers to celebrate their achievements in mid-May 2020 (We are aiming for the week of May 10, 2021). It is still too early to know what our recitals may look like, but we are grateful to have a wonderful working relationship with the Nottawasaga Inn Resort where our recitals are held. We understand that depending on the situation in Ontario in 2021 families may not feel comfortable attending or having their dancer participate in a recital. As always, participation in recitals is encouraged but is optional.

Costumes and Payment

In past seasons costumes payments were due in December. This season recreational costumes for all dancers will be ordered later in the year while still allowing enough time for the costumes to be made and arrive at the studio. Costume payments for 2021 are due Feb 15. Costumes will not be ordered without payment, so please be sure to pay on-time. Costume fees are non-refundable. They are ordered with specific dancer's measurements in mind and cannot be returned to the costume company.

Families with outstanding fees as of March 1st 2020 will not receive their child's recital costume(s) until their account is settled. Families with an outstanding balance will be unable to purchase recital tickets online until their account is settled.

Refund Policy

Refunds will not be given for classes missed due to student illness or personal commitments.

Where a student sustains an injury that does not permit them to participate over an extended period of time (more than 6 weeks) a credit or refund will be issued. A doctor's note is required.

If a student wishes to drop a class before October 12th a refund will be issued for the remaining paid classes. After October 12th 2020 refunds will not be issued.

Costume Fees are non-refundable.
